

WOMEN IN SOCCER JOBS BOARD

We need women and all those underrepresented in soccer working in the industry to influence change and be visible for future generations.

THE WIS JOBS BOARD OFFERS:

- A dedicated resource for jobs in the domestic soccer industry from the youth to the professional level
- Jobs with for-profit, non-profit, and grassroots organizations in roles “ON THE FIELD” (e.g. coaches, trainers, referees, etc.) and “OFF THE FIELD” (e.g. front office, back office, media, admin, etc.)
- Live job links allowing candidates to apply directly from the Women in Soccer listing, creating a streamlined process for applicants
- Recruiters the opportunity to post a role via our “ON THE FIELD” and “OFF THE FIELD” filters, ensuring every post is seen by the right candidate.
- Direct access to our growing network of coaches, athletes, executives, creators, and, changemakers

WHO HAS ACCESS TO THE JOBS BOARD?

Community Members and Expert Members have access to the jobs board through the member portal and can apply directly through the jobs board. Ally Members cannot directly access the jobs board and apply. Allies and Partners are encouraged to share job postings for the board. We believe prioritizing our Community Members and Expert Members in this way helps us achieve our goal of providing opportunity to historically marginalized job-seekers.

HOW TO TAKE ADVANTAGE OF THE JOBS BOARD AS A(N)...

COMMUNITY MEMBER

View available jobs most relevant to your search through our “ON THE FIELD” and “OFF THE FIELD” filters. Find the organization or role you’re interested in and select “Get It!” Then head to our community page and search via “FIND MY PEOPLE” for the organization you’re applying with to see if any members work for or are connected to it. If so, it’s worthwhile to reach out to them directly to create a shared connection alongside your application.

EXPERT MEMBER

Like community members, view available jobs most relevant to your search through our “ON THE FIELD” and “OFF THE FIELD” filters. Find the organization or role you’re interested in and select “Get It!” Then head to our community page and search via “FIND MY PEOPLE” for the organization you’re applying with to see if any members work for or are connected to it. If so, it’s worthwhile to reach out to them directly to create a shared connection alongside your application.
